\*How have you supplied your Pit's required front and side pictures?

With this form by mail  Pictures have or will be emailed to [MyPitBullPictures@Yahoo.com](mailto:MyPitBullPictures@Yahoo.com)

If pics sent by email the owner name and Pit Bull's name should be placed in the subject line of the email. A brief text message should also be included containing details. If this method is chosen and the above requirements are not met this may cause the email server to delete your pics causing unnecessary delay in the registration process. All material sent will become the property of The American Pit Bull Registry (APBR) and may be used in future use, advertising material, or as otherwise seen fit. Hard copy photos are returned for our Member's convenience.

You may also wish to send any additional information you have in regards to your Pit Bull. Any history, genealogy, pictures, video, stories, etc. This additional information may be made to others who wish to breed with your Pit Bull in the future or in the development of expanded pedigrees. For those who choose to breed, please do so responsibly. We suggest that you thoroughly read and review our Web sites and take full advantage of the opportunities the APBR will offer you as a Registered Member.
